## The Info

### Limiting Distractions:

We kindly ask each person's help in limiting distractions during the church service. It is our desire to provide distraction free ministry at all church services. Therefore, while in the sanctuary, please turn off your cell phones. We request that children who are under the age of 12 attend their age-appropriate classes, for their benefit and that of the entire body. If you find it necessary to leave the sanctuary once the teaching has begun, please allow an usher to find you seating in the back upon your return. We sincerely appreciate your understanding. May the Lord bless your time here.
